

Did'ja Know?

Bad things sometimes happen to all kinds of people – good people, mean people, happy and sad people. God keeps loving all of us though, no matter what. We can do the same and love God back!

Job fell on hard times, but he still kept loving God. Color the picture below.

The Story of Job
Part One

Job 1:1-22

Once there was a man named Job. He loved God very much, and did everything God asked.

“I have a wonderful family,” Job said with a big smile, “and lots of animals. I am a happy man. Thank you, God!”

But one day, Satan saw Job and thought “It’s easy for Job to love God when everything is easy. I bet if bad things happened to him, he would hate God. Let’s test Job.”

So Satan took everything Job had away. Robbers stole his animals. An accident killed his family.

Job cried and cried. “Everything is terrible!”

Satan smiled wide. He couldn’t wait to hear Job yell at God!

But Job never got angry at God. He kept right on loving God and being grateful!

Satan was surprised. Job really was amazing!

Nice Quote!

True forgiveness and true gratitude is when you can say, "Thank you for that experience, God."

Try It At Home

Being thankful or finding gratitude isn't always easy. It can be hard to see the gifts we have, especially when bad things happen. This week, pray each morning thanking God for something you're grateful of. How will you look at life differently after being thankful?
