

Did'ja Know?

People in Paul's time (shortly after Jesus died and was raised) often used clay pottery as a material to make dishes, pots, and containers. Other cultures have used clay as well!

God gives each of us a gift with our bodies. Label the different parts you see below!

Treasure in Clay Jars

2 Corinthians 4:1-18

Paul traveled all over, telling people about Jesus. He wrote a letter to his friends in a city called Corinth.

“Dear Friends: Guess what? God, the Holy Spirit lives inside you!”

The people were surprised. “The Holy Spirit lives in here?” asked Atreus, pointing to his heart.

“That’s what Paul wrote,” said Nyssa.

“But my body isn’t strong. Sometimes I get sick,” Atreus said.

Nyssa added, “And when I get hurt, I bleed or get bruises.”

They continued reading. Paul wrote: “You are like clay jars with amazing treasure inside. Sure, the jars can easily break, but since the Holy Spirit is in you, you have the power to share God’s love with the world!”

“Wow!” said Atreus. “That’s so exciting!”

“Yes,” said Nyssa. “The Holy Spirit does live in us!”

The Spirit’s Work

As followers of Jesus, we believe that God’s own Holy Spirit lives in us to do God’s Work!

Memory Verse

But we have this treasure in clay jars, so that it may be made clear that this extraordinary power belongs to God and does not come from us.

Try it At Home

While you're at worship, see if you can identify the different parts of what makes your church community run smoothly. How is every different part similar to a limb or part of a person's body?
