Lord's Prayer Series
WEEK ONE

Luke 11:2-4

Jesus prayed all the time. He loved to spend time with God.

Peter, one of Jesus' friends said, "I'm not sure how to pray."

"Yes," said his friend, Susanna, frowning. "I think praying is hard."

Mary said, "Jesus, you love to pray. Can you teach us how?"

Jesus smiled. "Of course! It's not hard at all. Just start by saying: Father, your name is holy."

James looked confused. "What does that mean?"

Jesus said, "We can call God "father" or "mother" because God is like a grown-up who loves us and takes care of us. But God is much more than that! God's name is so special, we should say it with love and care."

"Is that the end of the prayer?"

"Oh, no," said Jesus. "It's just the beginning."

To be continued . . .
